

Holy Week Chalk Walk

We have been so pleased with the thoughtful responses to the Holy Week Chalk Walk. The colourful walk begins on the drive with Palm Sunday and continues through the garden and back to the front of church. People have told us that they found it prayerful and meditative, and we have been thrilled to see children joining in to draw flowers and rainbows. If the rain has held off, you may find the walk still there, leading you too to spend some time in reflection on this holiest of times.

Lauryn

You can take the walk virtually, on our YouTube channel:
